

Priya Sharma

Machine Learning Engineer | 3 Years Experience

Email: priya.sharma@email.com | Phone: +1 (555) 876-5432 | Location: Seattle, WA

SUMMARY

Dedicated Machine Learning Engineer with 3 years of hands-on experience building NLP text analytics engines, predictive models, and REST microservices in Python.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Engineering - IIT Delhi (2021)

SKILLS

Python, Machine Learning, Scikit-Learn, NLP, Pandas, NumPy, SQL, Flask, Docker, Git, PostgreSQL, Data Science, Natural Language Processing

WORK EXPERIENCE

- ML Engineer at Nexus Systems (2022 - Present): Designed NLP keyword extraction and text classification workflows using Scikit-Learn and SpaCy.
- Data Science Associate at Analytics Hub (2021 - 2022): Built SQL pipelines and automated feature extraction scripts in Python.
